EDUCATION AND DEGREES

L. Kossuth University of Arts and Sciences, Debrecen, Hungary: 1973-1978

BSc degree: 1978, in Chemistry research

MSc degree: 1978, in Applied Organic Chemistry

PhD degree: 1982, in Biochemistry: (Summa Cum Laude)

Hungarian Academy of Sciences, Budapest, Hungary:

Doctoral Degree of Hungarian Academy of Sciences: 2003, "Study of changes in gene expression due to ageing and in certain autoimmune diseases" (100%)

PROFESSIONAL EXPERIENCE AND POSITIONS

1979-1985: Staff member of the F. Verzar International Laboratory for Experimental Gerontology (VILEG), Hungarian Section, University Medical School of Debrecen,

1985-1986: Visiting fellow, Chemistry Department of **Illinois State University**, Normal, IL, USA; with Prof. Arlan Richardson, Ph.D.

1986-1987: Guest researcher, then in 1988: Visiting Research Associate, at the **National Institutes of Health, National Institute on Ageing**, Gerontology Research Center, Laboratory for Cellular and Molecular Biology, Physiology and Genetics Section, Baltimore, MD, USA;

1989-1991: Scientific Research Associate at VILEG

1991-1992: Recipient of the Alexander von Humboldt-Stiftung scholarship at **University of Mainz** (Fed. Rep. Germany), Institute of Physiological Chemistry, Department of Applied Molecular Biology

1993-1994: Chief Scientific Research Associate at VILEG

1994-1995: Associate Professor, 3rd Department of Internal Medicine, Molecular Biology Research Laboratory.

1995-1996: Guest Professor at the **Toho University School of Pharmaceutical Sciences**, Department of Biochemistry, with fellowships from the Japan Foundation for Ageing and Health as well as from Toho University

1996-: Associate Professor, 3rd Department of Internal Medicine, head of the Molecular Biology Research Laboratory.

1998: Study of the differential display method at the laboratory of Prof. Malcolm H. Goyns (**Sunderland University**, UK) supported by the Wellcome Trust (UK).

1999: Habilitation (Med. Habil.) at the University of Debrecen, Medical and Health Science Center

1999-2002: Recipient of the "Széchenyi" Professorship from the Hungarian Government

- 2001: **President of the Society for Preventive Gerontology and Geriatrics**
- 2003: Doctoral degree at the **Hungarian Academy of Sciences**
- 2005: Visiting professor at the **Oklahoma Medical Research Foundation**, a Greenberg Scholar.
- 2007: University of Debrecen, Faculty of Health:
President of the Scientific Advisory Committee of the Faculty
- 2008:
- **Director of the Gerontology Science Coordination Center**
- member of the Committee of the „Kövér András” Prize
- 2009:
- Founder and **Editor-in-chief of *Hungarian Gerontology***
- Member of the *Council of the Dean*
- Member of the *Council of the Faculty*
- 2010:
- Vice Dean (scientific matters)
- Member of the *Council of the Medical and Health Science Center*
- 2011:
- Member of the Administrative Council, **AGE Platform Europe** (European Union, Bruxelles),
- 2012:
- Member of the Health Expert Group, AGE Platform Europe
- 2013:
- **Vice Chair**, Health Expert Group, AGE Platform Europe
- Member, Promotion Committee, University of Debrecen
- Director, Fritz Verzar Special College
- 2014:
- **Certificate of Merit** of Rector of the University of Debrecen
- Member of the Habilitation Committee of UD
- Member of AGE Platform Europe Task Forces: TF 2: European Semester; TF 10: Healthy Aging; TF 13: Standardization
- **Expert of the European Committee**: Standardization (Design for All)
- **Dean** (Faculty of Health, Member of the Senate (University of Debrecen))
- **Head of Department** of Gerontology

PUBLICATIONS

I have published my studies (>100) in journals of good standard (sum impact factor: 108; citations >1000) and held lectures (>100) on international meetings.

REFERENTIAL ACTIVITIES

Mechanisms of Ageing and Development: member of **Editorial Board** (2000-2006)
The Science World – Ageing domain: member of **Editorial Board** (2002-)
Biogerontology: member of **Editorial Board** (2005-2009)
Research and Reviews in Biosciences: member of **Editorial Board** (2007-)
Kontakt Journal: member of **Editorial Board** (2013-)
BioMed Central (member of **International Review Panel**) (2002-)
Medical Science Monitor: (member of **International Review Panel**) (2002-)
Postgraduate Medical Journal: (member of **International Review Panel**) (2003-)
Archives of Gerontology and Geriatrics: occasionally refereeing

Cancer Letters: occasionally refereeing
Pediatric Research: occasionally refereeing
Scandinavian Journal of Rheumatology: occasionally refereeing

MEMBERSHIPS

- Member of the General Body of the **Hungarian Academy of Sciences**
- Society for Preventive Gerontology and Geriatrics: **President**
- European Society for Anti Aging Medicine: **member of the Scientific Board**
- Geriatrics Collegiums
- Hungarian Gerontology Society
- International Association of Biomedical Gerontology
- Hungarian Immunological Society
- Hungarian Society of Allergology and Clinical Immunology
- Hungarian Humboldt Association
- mensa HungarIQa
- Association of Professors for the European Hungary
- Who's Who in the World (**CV**)
- Who's Who in Science and Engineering (**CV**)
- Who's Who in Medicine and Healthcare (**CV**)
- Hübners Blaues Who is Who (**CV**)
